#### Project: Blackstone Community – Medians Master Plan Design

#### Dear Carol:

Design Concepts is pleased to provide our proposal for landscape architectural services for Master Plan design of the medians at the Blackstone Community in Aurora.

It is our understanding that the project scope includes master plan design for improvements to the medians on S. Country Club Pkwy, S. Blackstone Pkwy, and E. Mineral Dr. The design will build upon and enhance the work previously completed by Design Concepts at the roundabouts and entries to the community. In collaboration with the Landscape Committee at Blackstone, we will develop conceptual plans that provide an exciting median master plan design for landscape and hardscapes. We understand that the city does not allow for any new bluegrass sod, so our design approach will be strategic in preserving existing sod areas as appropriate and valued by the community. Our deliverable will be a booklet showcasing the master plan renderings along with an executive summary capturing the design process. This document will serve as a tool for you to begin implementing the improvements in the future.

We have included time for a pre-application meeting with City of Aurora to review the proposed improvements so we can become aware of any limitations. A complete city review process is assumed to not be needed for this phase and is not included in this proposal. Our work will be done using all available files and backgrounds. To the best of our knowledge, complete drawings for Filing 2 (S Blackstone Pkwy) only exist in PDF format. PDF files are suitable for this master plan work, but this street corridor will require a new site survey to develop construction documents. Additional survey for other areas may also be necessary at that time. Please refer to the Exclusions section for items we assume are not needed for this master plan design but may be needed for development of construction documents.

We look forward to working together to create a vibrant, elegant aesthetic for the medians at Blackstone.

#### Terms and Conditions – Design Concepts as Primary Contractor

Design Concepts will provide Services to Client under the following terms and conditions ("Terms and Conditions"), which are part of a binding agreement between the parties upon the signing of the Proposal:

- 1. <u>Scope</u>. The Design Concepts Proposal to Client provides for a certain scope of work. If changes are required to the Services, Design Concepts and Client agree to work together to negotiate an appropriate revision to the Proposal and to record the same in substantially the form attached hereto ("Change Order"). All revisions must be in writing and signed by a representative of each party to be effective.
- 2. <u>Performance</u>. Any target dates or timelines for performance set forth in the Proposal or any Change Order can only be achieved if Design Concepts is provided information in a timely manner by Client and also only so long as Design Concepts is allowed access to the site. Delays in receiving such information and access will result in necessary revision of the above target dates. Revisions made by Design Concepts for these reasons will not require Change Order but will require notice to Client in writing. Revision of the target dates as described in this paragraph will not be a basis for terminating the the parties' agreement for Cause, as that term is defined below.
- 3. <u>Independent Contractor</u>. Design Concepts is an independent contractor controlling the manner and means to complete the Services. All Services performed by Design Concepts will be performed using equipment, tools and other materials either owned by Design Concepts or specially acquired for provision of the Services. Expenses incurred by Design Concepts specifically for the performance of Services to Client will be billed back to Client as set forth in any Proposal or Change Order. Design Concepts is entirely responsible for payment of all state, federal and local taxes due for any fees paid to Design Concepts by Client. In addition, Design Concepts provides its own worker's compensation insurance for Design Concepts staff members.
- 4. <u>Fees/Costs/Payment</u>. Client shall pay Design Concepts for the Services and associated costs as set forth in the Proposal or any Change Order. Client agrees to pay the same as set forth therein.
- 5. <u>Non-exclusivity</u>. Design Concepts does not provide the Services to Client on an exclusive basis. In providing the Services, Design Concepts will rely on forms, format, processes and approaches used routinely by Design Concepts in relation to its clients, all of which are provided on a non-exclusive basis. There is no "work made for hire" under the agreement between Design Concepts and Client but, rather, provision of professional services and standard documentation and design work associated therewith.
- 6. <u>Confidential Information</u>. To the extent that the Services provided by Design Concepts require that Client provide Design Concepts with Confidential Information, Design Concepts will maintain the same in confidence. Client understands that Confidential Information only applies to truly proprietary information that Client treats as trade secret by clearly marking the same and limiting access to parties other than those for whom access is necessary. Confidential Information does not include the following: a) any and all information used by Design Concepts in performance of any Project that is the property of a third party and that has been licensed to Design Concepts or for which Design Concepts has otherwise received authority for use; b) any and all programs, processes, forms, formats, formulas, spreadsheets and/or other tools created by Design Concepts prior to or during performance of any Services for Client that are not specific to Client but, rather, that are tools of Design Concepts' work in the field providing professional landscape design services; and c) any and all information provided to Client by Design Concepts which is either directly taken from or is derived from the public domain.
- 7. <u>Indemnification</u>. The Subconsultant shall indemnify and hold harmless Design Concepts and Client, and each of their officers, directors and employees, from and against damages, liabilities, losses, costs, judgments, and expenses, including all legal costs and reasonable attorneys' fees, on account of injury, disease or death to any person, including Subconsultant's employees, Subconsultant's suppliers consultants, or damage to property, or any type of injury, damage or loss to the extent caused by Subconsultant's negligent performance of services. For the purpose of this section, performance of subconsultants includes

the subconsultants of the subconsultants. This indemnity provision agreement shall survive the termination of this agreement. Design Concept's rights of indemnity, as expressly set forth in this Agreement, shall not depend upon the actual payment of any claim, damage, penalty, loss, cost, expense, injury or liability sustained by the Contractor and/or its contractors, subcontractors, agents and/or employees.

- 8. <u>Insurance</u>. Design Concepts currently carries and will maintain Professional Liability Insurance with a \$2,000,000 limit per claim/\$2,000,000 aggregate; General Liability Insurance with a \$2,000,000 limit per claim/\$4,000,000 aggregate, Auto Liability Insurance with a combined single limit of \$2,000,000 and Workers' Compensation Insurance with a \$2,000,000 limit each for accident and disease. Certificates will be provided upon request.
- 9. <u>Term and Termination</u>. The term of the agreement between the parties will begin on the Effective Date and will continue until it automatically terminates upon the completion of and full payment for the Services, unless otherwise set forth in the Proposal or any Change Order. Prior to the end of the term, either Client or Design Concepts may terminate their agreement for Cause upon 15 days prior written notice to the non-terminating party stating the reason for termination and allowing the non-terminating party 15 days to cure the stated default. Cause is hereby defined as failure to make timely payment of any amounts owed under the Proposal or any Change Order or failure to provide the Services as represented in the in either of the same. Upon termination for Cause, Design Concepts will be entitled to receive payment for all Services completed by the date of termination and will provide the deliverables associated with those Services, if any, to Client upon receipt of payment.
- 10. <u>Governing Law</u>. The Proposal, these Terms and Conditions, and any Change Order are created under the laws of the State of Colorado, without regard to any conflict of law provisions that would cause the laws of another jurisdiction to apply. Any action or proceeding arising from or relating to these documents and the subject matter they describe will be brought in the District Court for the 20th Judicial District in Boulder, Colorado. If there is any enforcement action, the prevailing party in the same shall be entitled to receive its costs, expenses and reasonable attorneys' fees, in addition to any other relief it may receive.
- 11. <u>LIMITATION OF LIABILITY</u>. IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, OR CONSEQUENTIAL DAMAGES WHETHER IN CONTRACT, TORT, OR UNDER ANY OTHER THEORY OF LIABILITY, WHETHER OR NOT THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
- 12. <u>Entire Agreement/Severability</u>. These Terms and Conditions together with the Proposal and any signed Change Order constitute the entire agreement of the Parties. No other agreements, whether verbal or written, outside of the same shall govern unless such agreements are in the form of a written amendment and signed by both parties. If any provision is determined to be illegal or unenforceable, that provision will be eliminated from with revision to the parties' agreement to the minimum extent necessary, and the balance of the terms will remain in full force and effect. In addition, to the extent that the Proposal contradicts any of provision the Terms and Conditions, the Proposal language will control.
- 13. <u>Collections</u>. In the unlikely event that Client fails to pay or fails to timely pay Design Concepts for Services as required by the Proposal or a Change Order, Design Concepts shall be entitled to receive from Client not only the amount owed but any amounts expended by Design Concepts on collections of said amounts including, but not limited to, attorney fees.
- 14. <u>Compliance</u>. Design Concepts will, at all times, maintain in force and effect all necessary licenses to perform the Services described herein. Design Concepts will render said Services in compliance with all applicable laws, regulations, codes or other legal requirements in effect at the time of performance.
- 15. <u>Force Majeure</u>. Neither Party will be liable for any failure or delay in performing any obligation if performance is due to any of the following causes: acts of God, accident, riots, war, terrorist act, epidemic, pandemic, quarantine, civil commotion, breakdown of communication facilities, breakdown of web host, breakdown of internet service provider, natural catastrophes, governmental acts or omissions, changes in laws or regulations, national strikes, fire, explosion, generalized lack of availability of raw materials or energy. For the avoidance of doubt, Force Majeure shall not include merely (a) financial distress or the

inability of either party to make a profit or avoid a financial loss, (b) changes in market prices or conditions, or (c) a party's financial inability to perform its obligations hereunder.

- 16. <u>Notice</u>. Any written notice required by the parties' agreement may be given and will be effective as follows:
  - 1. If notice is given by e-mail, it will only be effective when a responsive e-mail is returned by the recipient acknowledging the e-mail notice.
  - 2. If notice is sent via nationally recognized overnight courier, notice will be effective upon receipt by the recipient as evidenced by the courier's delivery records.
  - 3. If notice is hand delivered, notice will be effective upon delivery.
- 17. <u>Survival</u>. The provisions in paragraphs 5, 6, 9 and 10 shall survive termination.
